INSTRUCTIONS

APPLICATION FOR FUNDING FORM:

Complete the APPLICATION FOR FUNDING form using the instruction page included in the *Application Forms* section of this application.

APPLICATION SUMMARY REPORT FORM:

Provide the requested information on this form. Provide a brief summary of the proposed project, do not refer us to the narrative section of the application, this information is used to develop the evaluation plans for the progress reports you are required to submit to us should you receive funding.

BUDGET PAGE FORMS:

Included in this application packet are budget forms for PERSONNEL, TRAVEL, EQUIPMENT, SUPPLIES/OPERATIONS and CONTRACTUAL categories (VOLUNTEER MATCH and RENOVATION/CONSTRUCTION are ineligible costs for *Paul Coverdell* funding, therefore these budget pages have not been included in this application packet. Leave those sections blank on the *APPLICATION FOR FUNDING* form). Submit only the appropriate budget forms for which you are seeking funding.

Provide a complete breakdown of the budget for implementation and operation of the proposed project on the appropriate budget forms. Instructions for completing the budget forms are printed at the top of each form. Please be sure to follow these instructions precisely.

NOTE: Round off cents to the nearest whole dollar on all budget forms. Drop amounts under 50 cents and increase amounts from 50 to 99 cents to the next dollar. All amounts for individual line items, total costs and match amounts should be rounded off.

Refer to the *Program Description* and *Financial and Administrative Guidelines for Contracts* for information on the use of funds. The total project cost of each budget form must be transferred to the *APPLICATION FOR FUNDING* form. Submit the completed budget forms with the application. If you are not requesting funding on a particular budget form, do not include that form with the application. Show "\$0" for that budget category on the *Application for Funding Form*.

PERSONNEL INFORMATION FORM:

Submit this form when submitting the PERSONNEL budget form. Only individuals funded through the grant should be listed on this form. If you are requesting a new position in the grant, submit the PERSONNEL INFORMATION form with whatever information can be provided at the time. On plain white paper, identify each of the specific sections of the *Narrative Work Program* outline. **Please be sure to follow this outline and to include all of the information requested.** *Do not use pitch smaller than 12. The Narrative Work Program should not be more than 12-14 pages overall.*

- A. Brief History of the Program Project Agency** – Provide a brief history of the Project Agency including a description of any existing programs. Explain how the proposed program will coordinate existing programs in your department. Limit to one page
- B. Statement of the Problem** – This section must address the need for grant funds and the proposed project. Include facts and statistics on incidents of crime, existing resources, demographic and geographic specifications, etc. Limit to two pages

They should express the extent to which you expect to alleviate the problem defined in the Statement of the Problem. **Be specific to this project.** Do not include the overall goals of the Project Agency. Limit to two pages
- D. Methodology** – This section must address the intended use of the grant and local match funds.  - 4. Budget Justification** – Justify the need for all items listed in the budget for which state and local funds will be used. Each individual budget item shall be justified. Do not just list the items requested for funding – justification of each budget item must be included in the justification for consideration of funding. For personnel, you must also indicate if the position is an existing or new position. If the position currently exists, indicate how the position has been funded in the past. **Project cost that is currently paid by the Applicant Agency may be subject to the rules of supplanting and unallowable.** No more than two pages
